Dear Friend,

Greetings!

I write to inform you about this Institute (IDEAz) setup as a 'Not for profit' - 'THINK TANK'. The main objective of this Institute is to inform and encourage our countrymen to recognize the problematic issues we face as a Country and to find pragmatic and implementable ways, based on a broad consensus, to resolve them.

Some of such issues and the ways recommended for resolving them, have been posted as essays on the website of the Institute - [www.ideal4india.com](http://www.ideal4india.com). Many of these essays have now been compiled into the book - "IDEAz4INDIA".

This book is now being sent 'FREE' to you with the expectation that you will find it informative and thought provoking and that it will encourage you to join us in further propagating the ideas of the Institute and to also support its future endeavours.

You may contribute to the Institute towards its Corpus, or as a Donation, an amount of Rs. 1000/- (Rupees One Thousand only) or Rs. 10, 000/- (Rupees Ten Thousand only) or any amount as you deem fit. The contribution may please be attached to the form on the obverse of this letter for our records and it will be gratefully acknowledged on receipt.

We also encourage you to contribute your ideas to address any other such issues. Even more importantly, we seek your assistance in propagating these ideas as widely as you can, to thus enable the Institution to reach out to and attract like minded people, to form pressure groups to achieve the common goal of implementing our IDEAz4INDIA.

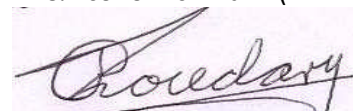

In order to allow us to coordinate all such activities, we request you to Register with the Institute as a Volunteer by sending in your name and all contact particulars and a brief write up about yourself and your areas of interest. There is no fee for such Registration

For any further clarifications please contact the undersigned at the above address or on the Mobile No: +91 98480 47477 or email: [ptchoudhary@ideal4india.com](mailto:ptchoudhary@ideal4india.com)
